

## Notable Numbers at Springfield Mills

Start by going to “Springfield Mills History” [here](#). Click on all ten years to learn the correct year for each statement below. Write the year next to the statement. Then, find and circle the years in the number puzzle. Numbers go across, down, or diagonally.

Extra credit: Watch the online video of the mill and hit pause at any point. On the back of this page, sketch what you see in the “freeze frame.”
