FINE PRINT

All scarecrows will be displayed outdoors for 24 days, so design materials must be as weatherproof as possible. The Arboretum reserves the right to remove any scarecrow that has deteriorated to an unacceptable level during that period. Scarecrows must be designed as family friendly, or they will not be accepted for display. All scarecrows will be returned to their creators on October 25 and 26. After this date, any remaining scarecrows will be disposed of.

The Arboretum will provide signage identifying participant name/organization and the name of each scarecrow. The Arboretum will determine the location of all scarecrows and install them. Please do not include any signage or flyers with your scarecrow. The Morris Arboretum reserves the right to use photographs, contact names, and scarecrow names for publicity purposes.

▶ **Straw *MUST* be the primary material used to construct your scarecrow.**
